Dear Mr. Meyer,

Food hygiene inspection report and your food hygiene rating

FOOD HYGIENE RATING

We inspected your business premises on 10th January 2017 to check compliance with the requirements of food hygiene law and I am writing now to outline to you our findings and to tell you what your food hygiene rating is. During the inspection David Allwood accompanied the officer.

Inspection report

I have enclosed a copy of your inspection report. This outlines my findings about how you are complying with the Food Hygiene (England) Regulations and associated legislation. My findings are listed under three areas:

- Compliance with food hygiene and safety procedures
- Compliance with structural requirements
- Confidence in management/control procedures.

If you are unclear about anything in the report, please get in touch with me – my contact details are given at the end of this letter.

Your food hygiene rating

This authority operates the national Food Hygiene Rating Scheme. This is designed to help consumers choose where to eat out or shop for food by giving them information about the hygiene standards in food outlets at the time they are inspected to check compliance with legal requirements. Details of how ratings are calculated are enclosed.

On the basis of the standards found at the inspection, I am pleased to be able to tell you that you have achieved the top rating of '5'. Details of how this was calculated are as follows:
