

We would like to extend our sincere thanks to all the staff at Newgrange for all the support & care that you have given Ewen during her stay here. She came to you in a rather fragile state but is leaving fully restored to her old self.

She has benefitted from her stay at Newgrange in a way that is immeasurable.

We cannot thank you enough & wish you all the very best.

Thank You.

Sincerely Les & Viv
& of course,
Ewen.
